# AART 7<sup>TH</sup> ANNUAL HORSESHOE HOEDOWN

All Ages Read Together (AART) is a Loudoun-based nonprofit dedicated to preparing children in need for success in kindergarten and beyond. Dedicated teachers and volunteers of all ages provide instruction to eager learners.

Since 2007, AART has enrolled hundreds of students in Loudoun and Fairfax counties. Our support comes from discerning donors who recognize the strategic value and remarkable pay-off of early childhood intervention. We save schools (and taxpayers) thousands of dollars per child by eliminating the need for later remediation.

Interested in supporting this wonderful cause?  
Please partner with us for our upcoming fundraiser!

The Horseshoe Hoedown will be a casual and fun-filled family evening featuring delicious food, drink, mechanical bull riding and dancing at River Farm Stables just north of Leesburg.
